Gentlemen:

We have just received a cabled inquiry for export to a neutral  
European country on

AM  
7 8 9 10 11 12 1 2 3 4 5 6 PM

5000 lbs. of Uranium Oxide, technical, orange or yellow

and would appreciate it very much if you would quote us  
your price thereon, if possible FAS New Orleans, indicating  
at the same time all particulars such as packing, weights, etc.  
as well as approximate date of delivery.

If we succeed in securing the order, we would of course file  
the necessary export license application and place the order  
with you once the export license has been granted to us.

Thanking you for your kind cooperation and for your courtesy  
of an early reply, we remain,

Yours very truly,

FERRO METAL &amp; CHEMICAL CORP.
